Paper Session:

2105 Geographies of Mobility III: Emerging Mobilities

is scheduled on Wednesday, 4/9/2014, from 8:00 AM - 9:40 AM in Room 5, TCC, First Floor

Sponsorship(s):

Transportation Geography Specialty Group
Spatial Analysis and Modeling Specialty Group

Organizer(s):

[Mei-Po Kwan](#) - University of Illinois at Urbana-Champaign
[Tim Schwanen](#) - University of Oxford

Chair(s):

[Tim Schwanen](#) - University of Oxford

Abstract(s):

8:00 AM Author(s): *Flemming Giesel - Institute of Transport Research, German Aerospace Center (DLR)

Abstract Title: *Carsharing as a Driver of Sustainable Urban Mobility? An Analysis of User Structure and Motivation*

8:20 AM Author(s): *Kristoffer Mattisson - Lund University
Ellen Cromley - Lund University

Abstract Title: *Change in Commuting Mode and Time: Factors Associated with the Shift from Active Modes to Automobiles*

8:40 AM Author(s): *Tim Schwanen - University of Oxford

Abstract Title: *Understanding low-energy innovation in urban mobility*

9:00 AM Author(s): *Justin Alex Spinney - Cardiff University

Abstract Title: *A critical theorisation of cycling policy and practice: mobility fixes and self-government*

9:20 AM Discussant: [David Bissell](#) - The Australian National University

Discussant(s):

[David Bissell](#) - The Australian National University

Session Description: We explore issues pertinent to the study of human and non-human mobilities. We address the economic, social, cultural, political, environmental, theoretical, and methodological issues related to the geographies of mobility. Topics include: space-time modeling and GIS-based analysis of mobility; mobility research methods; commuting; leisure travel; tourism; mobility by different transport modes; sustainable mobility; mobility and resilience; disasters, natural hazards, and mobility; wellbeing and health; mobility, energy consumption and greenhouse gas emissions; migration; (im)mobility and social differentiation and inequality; (im)mobilities of the oppressed, subjugated and persecuted; (im)mobility and social exclusion; experience of (im)mobility; politics of (im)mobility; and other relevant areas.
